### EASTER PRETZELS

Ingredients

Mini Pretzels - 16oz bag, Melting White Chocolate melts and 2 10oz bags Easter M&Ms

Instructions

1. Preheat the oven to 225°F.
2. Line a baking sheet with a silicone baking mat or parchment paper.
- 3a. Bunny Pretzels: Arrange pretzels in a single layer. Place one candy melt on top of each pretzel. Place the baking sheet in the oven for 2-3 minutes to slightly melt the candy melt. Remove from the oven and immediately add the M&Ms. Place 1 M&M near the bottom of the pretzel, this is the bunny's head, then add two M&Ms on their side, these are the bunny's ears.
- 3b. Butterfly Pretzels: Place 2 pretzels on top of the candy melt - one on the right side and one on the left side. Place another candy melt directly on top of where the pretzels meet. Place the baking sheet in the oven for 2-3 minutes to slightly melt the candy melt. Remove from the oven and immediately add the M&Ms. Place 2 M&Ms in the center of the candy melt, this is the butterfly's body. Then add 2 broken pretzel pieces as antennas. Allow the candy melts to harden completely before removing the pretzels.
- 3c. Flower Pretzels: Place one candy melt on top of each pretzel. Place the baking sheet in the oven for 2-3 minutes to slightly melt the candy melt. Remove from the oven and immediately add the M&Ms. Place 1 M&M in the center pretzel, this is the center of the flower. Next, add six M&Ms around the center M&M. Some of the M&Ms may have to overlap to fit, these are the flower petals. Allow the candy melts to harden completely before removing the pretzels.
4. Allow the candy melts to harden completely before removing the pretzels.

Notes:

- Sort the M&Ms by color. This will make it easier when assembling.
- Place the "M" side down for a cute, clean presentation.
- Work quickly adding the M&Ms once the candy melts are melted. Working in batches is best!
- Focus on making all of one thing at a time - so all the bunnies, flowers or butterflies.
- Allow the candy melts to harden completely before removing the pretzels from the tray.

Credit Union Youth Month is aimed to promote financial literacy and education among young people, helping you to develop good money management habits and achieve financial security as you grow into adulthood. In today's world, where financial literacy is increasingly important, it's crucial to start learning about money management from an early age. Begin by understanding the importance of saving money, not only will you develop a savings habit, but also financial skills that will serve you well throughout your life.

WKFCU has tools to help fulfill these dreams. With a youth saving account that earns compound interest, you can deposit small amounts on a regular basis and watch your savings grow. The earlier you start a savings account, the more it will grow, and the easier it will be to achieve your dreams. Learning this good financial habit at a young age will set you up on the path of successful financial well-being.
